

Automatic Payment Authorization

The undersigned patron hereby authorizes CentralStar Cooperative Inc to automatically charge, on the credit card listed below, all ongoing purchases of products and services made by Patron or Patron’s authorized representative(s) from CentralStar, including any related fees or charges, taxes and/or price changes. This authorization will continue in effect until it is terminated by written notice from Patron to CentralStar. If, for any reason, a CentralStar charge to this account is refused, rejected or later adjusted, Patron agrees to make payment of any balance due directly to CentralStar.

For purposes of identification and billing, Patron agrees to provide CentralStar with accurate, complete and updated information as requested and to notify CentralStar of corrections or updates to the information (including new expiration dates).

Patron agrees to promptly notify CentralStar in the event Patron’s credit or debit card account expires, is cancelled, is lost or stolen and in the event of any unauthorized use of Patron’s account, or any unknown or suspected breach of security, such as unauthorized disclosure of account information. In any case of these events, Patron will remain liable for any unauthorized use of Patron’s credit card at CentralStar until Patron notifies CentralStar of any problems with their account.

When you choose to pay by credit or debit card, the card processor, Xpress-pay, directly charges your card a 3.0% site fee, which will be reflected on your credit card statement with your payment to CentralStar.

Patron authorizes the automatic payment of monthly statements with the payment option listed below.

I acknowledge I will incur a 3% site fee for choosing to pay by credit or debit card. (check the box)
