

LIVESTOCK, FARM & DAIRY USAGE GUIDE

THE EFFERSAN ADVANTAGE

When it comes to working with livestock, cleanliness is of critical importance. Your business depends on it. EfferSan provides a safe, simple and easy-to-use solution for sanitizing and disinfecting your dairy farm, cow-calf operations, cattle ranch or pasteurizing facilities to the highest standards.

EfferSan was developed with an uncompromising commitment to quality and safety, because your animals and workers deserve it. In fact, you rely on an exceptionally sanitary environment to keep everything thriving. With a neutral pH, EfferSan packs powerful and effective cleaning, disinfecting and sanitizing into an effervescent tablet, that's even safe enough for disinfecting your livestock's drinking water.
