

CentralStar

Scholarship Application 2024

CentralStar's goal of enhancing producer profitability through integrated services is fulfilled by incorporating an array of products and services critical to dairy-and-beef-farm prosperity. CentralStar's product and service offerings include Accelerated Genetics, GenerVations, and Select Sires genetics; extensive artificial-insemination (A.I.) technician service; genetic, reproduction, and dairy-records consultation; DHI services; diagnostic testing; herd-management products; research and development; and more.

CentralStar's administration and warehouse facilities are located in Lansing, Mich., and Waupun, Wis., with laboratories in Grand Ledge, Mich., and Kaukauna, Wis. The cooperative serves dairy and beef producers throughout Wisconsin, Michigan, and Indiana, with DHI-specific customers in surrounding states. For more information, visit CentralStar Cooperative Inc. at www.mycentralstar.com.

Eligibility:

The applicant must be presently enrolled in a four-year college or a one- or two-year technical college or short-course program in an agricultural-related field OR be a high school senior admitted into one of the aforementioned programs. Also, the applicant or their parent(s) must be a stockowner of CentralStar Cooperative.

General Information:

Seven (7) winners will be awarded a \$1,000 scholarship. Two of the scholarships are designated for technical-school or short-course students, if two applicants fall in this category and meet the stockowner requirement. Winners will receive notification of their award via e-mail in July or August. Checks are made payable to the university or technical school. If you're a winner, expect the money to pay for your fall semester.
